**Date:** September 20th 2019  
**Subject:** Stock day Association HZPC: access to Captin platform  
**Reference:** jvdh/jm/relation nr. HZPC2038

Dear shareholder,

In June you received a letter from us that trading in HZPC certificates is now taking place via the Captin Trading Platform. ING has sent you an overview of your positions and the ING platform, MyLeo, has been closed now. With this letter we want to inform you about the way you can get access to the new Captin Trading Platform. Without this access you cannot buy or sell certificates.

### **Verify your information**

On the 23rd of September end of the day, you will receive your login details from Captin by e-mail. We kindly, but firmly request, that you check your address details and, if necessary, complete and / or adjust them yourself. You can do this under the heading personal data. We ask you to contact Captin if you want to change the bank account number or the e-mail address.

If you have not yet received access codes on September 25<sup>th</sup>, your e-mail address is not (correctly) known to Captin and you cannot participate in the stock market trading in November. In that case, call the Captin service desk during Dutch office hours on the telephone number: +31 (0) 20 85 46 500. After several control questions, you will still receive your codes.

### **More information**

Soon we will inform you further about how you can place orders with Captin for the stock day in November 2019.

You can find this letter and future shared information on [www.hzpc.com/associationhzpc](http://www.hzpc.com/associationhzpc). In addition, for questions related to Captin, you can contact Captin's service desk on number: +31 (0) 20 85 46 500. For substantive questions regarding certificates, please contact Sharon Riedstra on telephone number +31 (0) 513 48 99 10 or by email: [certificates@hzpc.com](mailto:certificates@hzpc.com).

Kind regards,  
Committee Association HZPC

J.J.M. van der Heijden, chair
